

Application Process Photos

Please send these specific photographs to Meg@MsWheelchairUtah.org:

- ★ 2 headshots; they can be colored or black and white.
- ★ 10 to 20 "fun photographs" of yourself; colored or black and white

These are due September 30, 2008. Late photographs will result in you being excluded from the Pageant Program and Pageant Slideshow.

The "Fun Photos" can be of anything you would like as long as they include you. They must be modest and be post injury. These will be used in a slideshow of all the contestants during the judging process; it was a huge success last year.
